Contemporary Elegance in Aldea de Santa Fe

Modern luxury is the essence of this 3001 square foot, 3 bd, 2 1/2 bth, 2 car garage, 2 fireplaces, soft-contemporary home in Aldea de Santa Fe. Here you will find a light filled and smart floor plan combined with a center courtyard and generous living spaces set the stage for ease of day to day living and entertaining. The top of the line gourmet kitchen is clad with high-end stainless appliances, Davis Kitchens custom cabinetry & contemporary pendant lighting. [Wolf 6-burner gas cook top & oven; Bosch dishwasher & Kitchen Aid Refrigerator] Off the kitchen is an oversized walk-in pantry with swing out shelving; area for wine storage and floor to ceiling Davis Kitchen custom cabinets! Hardwood flooring throughout the Living Room, Den, Kitchen & Pantry. The living / dining area is graced by a gas fireplace, mountain views and french doors that open out to the private flagstone patio. This captivating home has one of the largest lots in Aldea; is a Certified Wildlife Habitat and is extensively landscaped with many native plants (list provided). Continue on your tour to the Master Bedroom which has mountain views & french doors with access to the private courtyard and an oversized cedar-lined closet with a safe. The luxurious Master Bathroom will definitely be one of your favorite places in the home with a large granite tiled shower with Kohler Moxie speaker shower head & large soaking tub.
